## Construction Update

### Ongoing Work:

Work continues on the Miami Beach Convention Center Renovation project. All events are suspended through May 2017 while work is underway. [Click here](#) for street closures and to learn about adjacent projects.

## Miami Beach Convention Center Renovation & Expansion Project

# Updated Reforestation Plan

**12** Acres of new parks  
and streetscapes  
are being created.

MIAMI BEACH  
CONVENTION CENTER

# MARCH 24, 2017 - Newsletter

**236**

Existing trees that are either being left in place or temporarily removed to a nursery in Homestead, FL., and will be returned to a different location under the new MBCC plan.

**367**

New trees being planted with a total of 61% being shade trees and 36% being new native and tropical plantings.

**930**

Black mangroves to be planted along the Collins Canal, as well as an abundance of native understory throughout the public realm.

**1533** Grand Total of Trees

**99**

Trees being proposed for removal due to disease and poor condition; in order to improve the quality of the reforestation effort and health of the overall environment.
