Construction Update

What's New

Beginning Monday, July 3, at 5 p.m., the contractor implemented the following road closures and traffic shifts (see map below) in preparation for the upcoming MLB FanFest at the Convention Center:

- Motorists coming from Dade Boulevard who want to travel southbound on Washington Avenue are detoured through Collins Avenue
- One southbound travel lane remains open along Washington Avenue between 21 Street and 17 Street for local traffic only
- One northbound travel lane remains open along Washington Avenue between 17 Street and Dade Boulevard

Starting Friday, July 7, MLB FanFest will be underway at the Miami Beach Convention Center and will run through Tuesday, July 11. The event will take place in the east Halls (Washington Avenue side) of the building. [Click here](#) to download a PDF version of this advisory.

Work hours on this project are from 6 a.m. to 10 p.m., Monday through Friday. Extended work hours and weekend work is approved in order to expedite the construction schedules.

Increase of noise will occur at various locations during the duration of the project. The contractor has implemented noise reduction measures to minimize the impact to the community.

These schedules may change due to inclement weather and/or any other unforeseen circumstances.
