Construction Advisory

What's New?

On Wednesday, July 12, the contractor will begin drainage work on 17 Street between Meridian Avenue and Jackie Gleason Drive. Travel lanes will be reduced to one way in each direction. Work is expected to be completed in approximately one week.

Work Hours

- Work hours on this project are from 7 a.m. to 5 p.m., Monday through Friday.
- Extended work hours and weekend work is approved in order to expedite the construction schedules.

This schedule may change due to inclement weather and/or any other unforeseen circumstances.
