Construction Update

What's New

- Lane closures and traffic shifts will be re-established around the Convention Center Renovation Expansion Project. Pedestrian access routes to the Holocaust Memorial and Temple Emanu-El are shown on the map below.
- On Saturday, September 16, the New World Symphony and the City of Miami Beach will host a free Wallcast Relief Concert for community members in the wake of Hurricane Irma. [Click here](#) to download the press release containing detailed information.

Please follow all traffic signals and drive carefully.

Ongoing Work

- The contractor continues to close the east and west sidewalks along Convention Center Drive from Dade Boulevard to 17 Street, in order to perform work safely
- Access to City Hall will always be maintained from 17 Street and 18 Street
- Full closure of Convention Center Drive from 17 Street to Dade Boulevard. Motorists can access the City Hall parking garage from 18 Street and Meridian Avenue
- 19 Street remains closed between Meridian Avenue and Convention Center Drive. **Access to the Botanical Gardens and Holocaust Memorial parking lot and entrance will be maintained at all times via Meridian Avenue**
- Concrete pours continue on the north and south ends of the building. Due to the high volume of concrete and project related material being used, the contractor is sometimes required to begin this work during off peak hours between 3 a.m. and 7 a.m. The contractor has implemented noise reduction measures to minimize the impact to the community
- All pedestrians are directed to use the north sidewalk of Dade Boulevard between Washington Avenue and Convention Center Drive, while the canal walk on the south side (along Collins Canal) remains closed

- Washington Avenue traffic pattern remains one lane in each direction. Signage will be placed by Monday, September 18
- Access for attendees to Convention Center Events will be through the South Entrance on Washington Avenue only. Vehicle drop-off can be accessed through southbound Washington Avenue

Work hours on this project are from 6 a.m. to 10 p.m., Monday through Friday. Extended work hours and weekend work is approved in order to expedite the construction schedules.

Increase of noise will occur at various locations during the duration of the project. The contractor has implemented noise reduction measures to minimize the impact to the community.

Adjacent Work

- FPL continues underground utility work on the north side of 17 Street between Pennsylvania Avenue and Meridian Court/Euclid Avenue. Work is expected to be completed in fall 2017.

These schedules may change due to inclement weather and/or any other unforeseen circumstances.
