What's New?

Please expect increased pedestrian traffic today in light of Yom Kippur. Direct access is maintained to the following Judaic sites from the middle beach neighborhood (also refer to map below):

- Temple Emanu-El:
 - Access from Dade Boulevard through the east side of Washington Avenue
 - Access from Meridian Avenue through the south side of 17 Street
- Holocaust Memorial: Access from Dade Boulevard and Meridian Avenue

Ongoing Work

- The contractor continues to close the east and west sidewalks along Convention Center Drive from Dade Boulevard to 17 Street, in order to perform work safely
- Access to City Hall will always be maintained from 17 Street and 18 Street
- Full closure of Convention Center Drive from 17 Street to Dade Boulevard. Motorists can access the City Hall parking garage from 18 Street and Meridian Avenue
- 19 Street remains closed between Meridian Avenue and Convention Center Drive. **Access to the Botanical Gardens and Holocaust Memorial parking lot and entrance will be maintained at all times via Meridian Avenue**
- Concrete pours continue on the north and south ends of the building. Due to the high volume of concrete and project related material being used, the contractor is sometimes required to begin this work during off peak hours between 3 a.m. and 7 a.m. The contractor has implemented noise reduction measures to minimize the impact to the community

September 30, 2017 - Newsletter

- All pedestrians are directed to use the north sidewalk of Dade Boulevard between Washington Avenue and Convention Center Drive, while the canal walk on the south side (along Collins Canal) remains closed
- Washington Avenue traffic pattern remains one lane in each direction.
- Access for attendees to Convention Center Events will be through the South Entrance on Washington Avenue only. Vehicle drop-off can be accessed through southbound Washington Avenue

Construction work hours on this project are from 6 a.m. to 10 p.m., Monday through Friday. Extended work hours and weekend work is approved in order to expedite the construction schedule and make up lost time due to the impact of Hurricane Irma.

Increase of noise will occur at various locations during the duration of the project. The contractor has implemented noise reduction measures to minimize the impact to the community.

These schedules may change due to the impact of Hurricane Irma and/or any other unforeseen circumstances.
