What's New

Beginning today, March 14 through Friday, March 16, the contractor for the Miami Beach Convention Center will be investigating an underground utility line in the vicinity of 18 Street and Convention Center Drive. The sidewalk remains closed in this area.

Access to City Hall will be maintained via the 17 Street entrance. Please use caution and obey all signs during while traveling though the area.

These schedules may change due to weather and/or other unforeseen circumstances.

Thank you for your cooperation.
