What's New

Beginning tonight at 9 p.m., Thursday, April 26, the contractor for the Miami Beach Convention Center will be closing all southbound travel lanes on Washington Avenue between Jackie Gleason Drive and Dade Boulevard in order to install curb and gutter, cross walks, plant trees and perform paving operations. Work will be underway for approximately three weeks.

Please expect the following maintenance of traffic (MOT) while work is underway:

- **Traffic will be shifted to the east side of the roadway and reduced to one lane in each direction.**
- **The entrance to the Fillmore from Washington Avenue will be maintained.**
- **Please use caution and obey all signs while traveling through the area.**

These schedules may change due to weather and/or other unforeseen circumstances.
