## **What's New**

**Beginning Monday night, July 23, the contractor is scheduled to close all southbound travel lanes along Washington Avenue between Dade Boulevard and Jackie Gleason Drive, while the contractor performs landscaping work. This work will be underway for approximately two months.**

**Traffic will be shifted to the east side of the roadway and reduced to one northbound and one southbound travel lane in each direction.**

**Please use caution and obey all signs while traveling through the area.**

**These schedules may change due to weather and/or other unforeseen circumstances.**
